CABARET OF SOULS

STRICT TEMPO! REISSUE!

In celebration of the 30th anniversary of its original release, Omnivore Recordings will be reissuing 'Strict Tempo!' on November 29.

The recording, an all-instrumental collection of British and Celtic jigs and reels (plus a Duke Ellington composition, and one Thompson original), features Richard on an array of acoustic and electric stringed instruments, ably abetted by Dave Mattacks on drums and percussion.

Strict Tempo! will be available in a specially designed CD reissue package with updated notes by Richard (while supplies last), as well as in digital download form.

MARTIN SIMPSON CD WITH RT

Martin Simpson's new album Purpose + Grace features guest appearances from Richard Thompson, June Tabor and Dick Gaughan. A terrific cover of Bruce Springsteen's Vietnam song 'Brothers Under The Bridge' features Richard Thompson on electric guitar, and the CD also includes a marvellously emotional version of Thompson's haunting song 'Strange Affair'.
