"The compilers have successfully woven the diverse colors of the singer/songwriter's rootsy traditional U.K. folk, rock and pop palette, uncovering dusty gems and a few rarities while stretching the canvas to explore the many faces of Thompson's multi-sided personality. Neophytes to his extensive discography finally have a one stop smorgasbord to sample the man's expansive accomplishments before diving into individual releases for further exploration, all of which are guaranteed to provide additional delights." - American Songwriter
